Annual Letter of Notification

August 22, 2023

The Detroit Waldorf School has an asbestos management plan prepared and available for inspection Monday through Friday during normal operating hours.

In March of 2021, an accredited inspector from the Michigan Environmental Safety Training (MEST) performed an AHERA Three Year Re-inspection of asbestos for Detroit Waldorf School. Additionally, bi-annual certified asbestos inspections take place at Detroit Waldorf School each year.

Robert Wells, DWS Facilities Manager, is our designated contact person for asbestos information and inspection results.

Signed,
Benjamin Linstrom, Administrative Chair
