

Finger Plays –

I saw a little bunny go hop, hop, hop
I saw his little ears go flop, flop, flop
I said little bunny won't you stay
But he looked at me and he hopped away

One purple violet in the garden grew
Up popped another, and then there were two
Two purple violets, that is all that I could see
Up popped another, then there were three
Three purple violets, if I could find one more
I'd make a wreath for mother,
And then there'd be four
Goodness sakes alive
(Child) found another,
And that makes five
